Special Instructions

I agree to and understand the terms of service required by Airworx to move our equipment.

- Airworx charges \$100.00 per hour (2 hour minimum) beginning when our driver is dispatched from our location and ending upon our driver returning to our location.
- If our driver is unable to complete the move due to dead inaccessible equipment, the customer agrees to pay Airworx 100% for hours billed
- Airworx is unable to quote a flat rate for moving equipment. Actual charges will be billed within 48 hours of the move being completed.
- Airworx CAN NOT guarantee equipment delivery time. Rental deliveries take priority over customer equipment. No discounts or credits will be issued for equipment delivered past desired delivery window
